## CHAIR OF ENERGY SUSTAINABILITY

### CALL FOR EXPRESION OF INTEREST FOR MARIE SLODOWSKA CURIE ACTIONS INDIVIDUAL FELLOWSHIP AT CHAIR OF ENERGY SUSTAINABILITY

UNIVERSITY OF BARCELONA (UB) / BARCELONA INSTITIUT OF  
ECONOMICS (IEB)

An opportunity for you is coming up with the Marie Curie Individual  
Fellowship at the UB.

The **Chair of Energy Sustainability** was founded at 2012, led by the professor Maria Teresa Costa Campi and affiliated to the IEB, was created by an agreement between the University of Barcelona and the Foundation for Energy and Environmental Sustainability (FUNSEAM), whose members are the Repsol Foundation, Enagas, the ACS Foundation, CEPESA, CLH, Endesa, FCC Energia, Gas Natural Fenosa and EDP Renovaveis.

The Chair promotes research into the production, supply and use of the energy needed to maintain social welfare and development, placing special emphasis on economic, environmental and social aspects. Despite its short life, the Chair has shown a strong capacity of research output and growth, and it has obtained the governmental recognition as emergent group of excellence in research. The applicant will find at the Chair, IEB and at the UB, an excellent research environment to develop their projects and to boost their careers. For more information about the Chair click [here](#).

The **UB's Faculty of Economics and Business**, where is located the Chair, is one of the largest in south west Europe and also one of the faculties on the Barcelona Knowledge Campus, the most active 'Campus of Excellence' in all Spain. In fact, the University of Barcelona is the leading Southern European University in the QS World University Rankings and the third-best Economics institution in Spain based on ISI and IDEAS rankings.

Finally, the **Barcelona Institute of Economics (IEB)** is a research center whose goals are to promote and disseminate work in applied economics, and to contribute to the debate and decision-making process in economic policy. Today the Institute is home to more than 60 researchers and PhD students.

## CHAIR OF ENERGY SUSTAINABILITY

**We now invite expressions of interest from potential postdoctoral researchers in applying jointly with the Chair research team for a Marie Skłodowska-Curie Actions (MSCA) Individual Fellowship.**

### **Description of the MSCA Fellowship Program:**

The purpose of the MSCA Individual Fellowship (IF) is to support the mobility of researchers and help attract promising foreign researchers to work in the European context (EU Member States and Associated Countries) or outside Europe. The grant typically covers two years' salary, a mobility allowance, research costs and overheads for the host institution. Individual researchers prepare and submit proposals for funding together with their planned supervisor/host organization. Proposals are judged on their research quality, impact and implementation, the researcher's future career prospects, and the support offered by the host organization. More information about MSCA Individual Fellowships is available clicking [here](#).

Applicants are kindly asked to send at [chairenergysustainability@ub.edu](mailto:chairenergysustainability@ub.edu) a letter of interest with:

- An abstract of the project idea (2 pages)
- A complete scientific CV
